

SiC power modules up to 400kW

Scalable up to megawatt range

Regenerative PFC systems
with excellent power factor
and efficiency

DC/DC converters with
very high efficiency

From our portfolio:
Bidirectional multiphase
400kW DC/DC converter module

max $U_{in/out}$: 900V

max current: 800A

dimensions: 50cm x 46cm x 26cm

weight: 60kg

water cooled
